FYI.

As followup to our meeting this week and the site strategy, I have been in discussions with CalEPA, CalRecycle and LACo HHMD. Paul is going to host a multiagency meeting next Friday in Sac and we are going to work on a partnership agreement for moving forward with this site.

Let me know if you have any questions or need additional information.

Michelle Rogow
On Scene Coordinator
USEPA Region 9

Subject: Post Fruitland

USEPA has approached CalEPA regarding collaborating on the management of the Fruitland Magnesium Fire site in Los Angeles.

USEPA would like to recycle as much of the site that was not on fire as possible; and maximize collaboration with the state and local agencies.

I have reserved the CalEPA EOC for 10-noon on Friday August 12.
